## Approved For Release 2002/08/21 : CIA-RDP89B00980R000200170038-4

## NATURE OF PROPOSAL:

Install provisions for System VI Components and wiring in two System 112A Hatches. Installation to be accomplished at the factory.

System VI Components and wiring to be installed and checked in the field. First provisions installation to be made during fabrication of Second System 112A Hatch. Hatch presently in service to be returned to factory for installation of System VI provisions after receipt of second Hatch.

This change has no affect on the permanent weight or C.G. location of the Aircraft.

NOTE:	We are proceeding on the 12-22-64 in response to	ik work in accomiance with	verbal = Go-Ahead dated
